- 11 Please Don't Quit Me Baby
- 12 Chicken Soup
- 13 How Long
- 14 I'm Here

Awesome sounding, personal and funky

„This album is special to me, for many reasons. And it's been a challenge: recording a band album, involving international musicians, even through isolation and lockdowns. It has been a wild trip, but damn I made it. This is what I needed for myself, and I think a lot of people out there need as well, right now: it can be the spark of soul and good vibes to help you dance your blues away, and sometimes it can be the hand on your shoulder, to help you cry it out. That's what Soulify means to me.”
